CAMPUS

Campus Univers Cascades was created in France in 2008 and has been offering specialised training in the field of physical stunt since that date.

Our wish is to open the doors of campus to the world through specialised workshops but also to share our expertise, recognised in the international movie industry.

The Campus is located on an exceptional site, 2 hours from Paris and is easily accessible by transport from abroad.

Based in the Hauts de France region, in Le Cateau-Cambrésis (59), the campus has a 5-hectare estate with accommodation and catering centre with a capacity of eighty students

Campus Univers Cascades offers this training in a unique setting in the world. The Campus has two rooms of 1200m2 specially designed for stunt practice: an acrobatics area with foam pit, three areas dedicated to fighting and weapons handling, a Parkour Park... but also a height falls area, a shooting site and various classrooms.

Apart from the activities and during your free time, the living and relaxation space on campus will be at your disposal: Spas, City stadium, Billiards, Babyfoot, TV room and video games...

TEAM

The Campus Univers Cascades training team is composed of experienced and recognised stuntmen in France. Our team will supervise the activities offered on campus during your training with latest equipment in the speciality of stunt.

They have more than 15 years of experience in the movie industry , television and event community. They are fight choreographers, specialists in acrobatics and gymnastics, Parkour (an activity taught by malik Diouf members and founder of the YAMAKASI), martial arts, fencing, wrestling, human torches or arms masters, etc.

The team will passionately teach you their expertise and techniques in order to provide you with the best possible training.
